Re: U.S. v. Charles Garland
07 CR 765 (CM)

2/27/08
 Matter Adj. to April 17, 2008
 At 9:30 AM

Dear Judge McMahon:

I represent defendant Charles Garland in the above matter. Mr. Garland's sentencing is currently scheduled for March 13, 2008, which, according to your Court rules, would make the due date for submission of the defendant's sentencing memorandum February 28, 2008. I have been diligently trying to obtain several reports from Mr. Garland's treating doctors and counselors, including Dr. Cherie Villano and William Ford, which are essential to my sentencing arguments. I also need additional time to schedule another meeting with the case agent to review certain material on Mr. Garland's computer. For these reasons, I am respectfully requesting an adjournment of Mr. Garland's sentencing for approximately 30 days to afford me ample opportunity to complete these tasks and incorporate the findings into Mr. Garland's sentencing memorandum.

I have discussed this request with AUSA Todd Blanche who has no objection.

In the event that your Honor grants this request, for scheduling purposes, I am unavailable from April 16 to April 21 as I will be out of the country on a personal matter.
